

Institute of Physics, Bhubaneswar (India)

**Postdoctoral Positions in
Quantum Computation and Quantum Information (QCQI) Theory**

The Institute has an opening for a postdoctoral position in Quantum Computation and Quantum Information Theory. This position is for **one year** and extendible for another year. The fellowship is at par with other research institutes in India.

Currently Pankaj Agrawal and Arun K. Pati are working in the area of QCQI. However, some other people in the Institute also have interest in this area. Interested applicants who have a PhD (or about to submit their theses) are requested to send their CV, a brief summary of research work and two reference letters sent directly to the address below by **April 30th, 2008**.

Address for Correspondence:

Dr. Pankaj Agrawal/ Arun K Pati
Institute of Physics,
Sachivalaya Marg,
Bhubaneswar 751005, India.
