

## **Summer Students' Visiting Programme (SSVP)-2022**

Institute of Physics (IoP), Bhubaneswar, an Autonomous research institute of the Department of Atomic Energy, Government of India, offers an opportunity to bright students to work in exciting research areas in Theoretical and Experimental Physics during summer every year under the **Summer Students' Visiting Programme (SSVP)**.

Applications are invited for the SSVP-2022 to be held at IoP from 15th May - 30th June, 2022. The selected participants will work on a specific project in association with faculty members of the Institute. At the end of the program, each student will present a short seminar and submit a report on the project carried out. Selected candidates are also encouraged to participate in other academic events of the Institute. Merit-based selected candidates will be paid some honorarium during their stay in the IoP campus.

**Eligibility:** Preferably those who will complete their 2-yr. M. Sc. / Integrated M. Sc. in 2023, i.e., those who, by summer of 2022, are completing 1st year of 2-year M.Sc. or 4th year of 5-year Integrated MSc.

**Deadline for online application: 14th April, 2022**

List of selected students will be announced on 22nd April, 2022

Applications should be in the form of (i) CV and (ii) Choice of research area (choose only ONE out of Condensed Matter Physics (Theory), Condensed Matter Physics (Expt.), High Energy Physics (Theory), High Energy Physics (Experiment), Nuclear Physics (Theory), String Theory, and Quantum Information)
