

### **Electronics Lab in ALICE experiment at CERN**

Experimental High Energy Nuclear Physics, IOP invites applications for one Electronic Lab Assistant positions under the project "Indian participation in the ALICE experiment at CERN" funded by DAE and DST, Govt. of India.

**Research Associate:** Experimental High Energy Physics.

No. of positions: One (1)

Application End Date: 28/02/2023

**Essential Qualifications:** Diploma / Degree in Electronics.

**Field of Expertise:** Electronics circuit assembly, fault tracing, electronic CAD simulation software . PCB Design.

**Desirable:** Minimum 5 years of experience in similar field.

**Consolidate Remuneration:** Rs.20, 000/- per month.

**AGE:** 35 years as on date of interview and age relaxation as per DAE rules.

The above positions are purely temporary for a period of one year and extendable to a maximum tenure of two years upon satisfactory performance. It would, therefore, not confer any right/ claim, implicit, or explicit for consideration/ absorption against any IOP post.

**How to Apply:** Applicants should send in their applications and arrange for the recommendation letters to reach to [pradip@iopb.res.in](mailto:pradip@iopb.res.in).

The applications should have the following documents:

1. A covering letter.
2. A detailed academic CV.

No TA/DA will be paid to the candidate for joining the position.
